A brief on Pathways through which to progress to any University at Multi-plan

- **University Foundation Program:** this is a Pre-University Qualification for students going to the UK as well as a University prep program for students going to the US or Canada)
- **Cambridge/ Edexcel A'level (accelerated one year or two year program):** the 2 year program is particularly for students who are not academically strong and/or are very young. We also have a 1+1 option where our students take their first year with us and progress to MPW Colleges, UK to complete their 2<sup>nd</sup> year A' level program.
- **Remedial/Test preps/extra classes:** students who want to upgrade their IGCSE or WAEC results. We also offer JAMB, Kaplan prep SATs, IELTS/TOEFL/PTE ACADEMIC training to help our students meet with general or specific University requirements.
- **Non Academic Lifestyle/Character building courses/sessions:** These run currently with the academic calendar.
- **University placement:** This is where we offer other unique services in order to provide support to students/applicants who require direct university placement and visa application assistance. This is rendered at a cost of NGN200, 000.
